**POWER
TO DECIDE**

One Key Question[®] - What's New?

- Refined and standardized OKQ[®] Certification training with ongoing quality improvement
 - Goal is to ensure fidelity to the model and ensure intervention is being used to increase patient-centered conversations about pregnancy desires and goals
 - Over the past year, we have provided training for 230 providers in 12 states.
 - Various settings: Title X, Home Visiting, FQHCs, Substance abuse/behavioral health, Community Health Workers, WIC, College/University Student Health Services, and other community based-settings
- Updated patient brochure (available in English and Spanish)
- Training of Trainers
- Power to Decide is national administrator of One Key Question[®]

ONE KEY QUESTION® CERTIFICATION TRAINING

- One day, in-person training
- Provider and patient materials
- Consulting before and after training
- Post training webinar
- CMEs – 4.5 AMA PRA Category 1 credits
- Access to One Key Question Provider Portal

ONE KEY QUESTION® TRAINING OF TRAINERS

- 2-day in-person training for systems (i.e. state public health programs, hospital or clinic systems, etc.)
- Trainers must have attended a Certification Training and have experience in OKQ implementation (current thoughts on eligibility)
- More information to be unveiled early Spring 2019

ONE KEY QUESTION® : RESEARCH

- One Key Question® is a screening tool to connect women to evidence-based practices: preconception care and contraception.
- There have been multiple pilot studies:
 - Provider and patient acceptability of question
 - Increase in contraceptive counseling, contraception prescriptions, and changing of methods
- Also assess confidence levels and training in pre/post of surveys

2019 and beyond...

- Exploring hybrid training opportunities (virtual and/or in-person)
- Updating and creating an interactive One Key Question[®] Provider Portal
