 - "The resort is very comprehensive and includes great strategies...GREAT JOB ON THE TOOLKIT! I'm amazed by the comprehensiveness and knowledge included."
 - "This is looking really good!"
 - "As I read through the document I reflected on how important and desperately needed this work is. Thanks!"
 - "The team has done an incredible job."
 - "I am still unsure about the audience for the toolkit...as it exists, this toolkit is cumbersome and not a practical resource..."
